

Get better travel management.

Right this way

etta

Travel your way.

The Etta travel management platform allows you to choose your travel management company and your expense tool.

Designed for humans.

Powerful and intuitive, Etta makes it easier and more efficient to shop, book, and manage travel.

Keep travelers safe.

Health and safety information built into the booking flow help guide travelers to safer travel choices.

Stay informed.

Real-time push notifications and access to the latest travel articles are just a tap away.

A stylized graphic illustration of a city skyline. On the left, a tall, light blue tower with a purple top and a small orange semi-circle on its peak stands against a dark background. To its right is a large, solid orange circle representing the sun. Below the sun and tower is a silhouette of a city skyline composed of various light blue buildings of different heights and shapes. At the bottom of the skyline, there are several purple, rounded shapes representing clouds. The entire scene is set against a dark, almost black background.

Save money.

Your negotiated rates and preferred suppliers are displayed first.

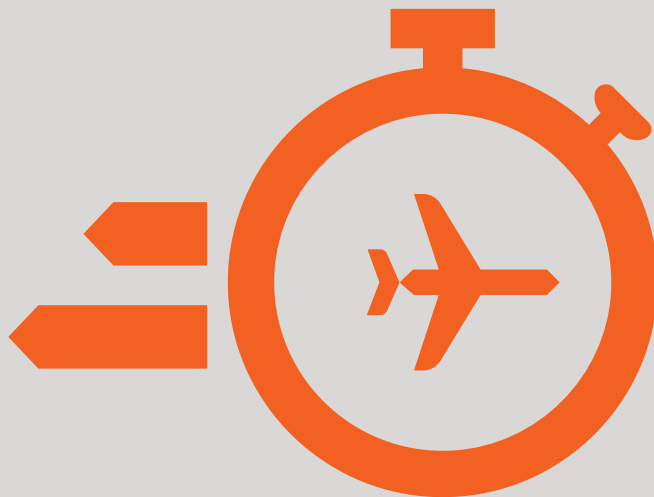

Automated Ticket Exchange lets your travelers **rebook**, **reuse**, or **refund** unused tickets automatically.

Shop faster.

With airfare searches powered by Google ITA and all available fare tiers listed on one page, you need fewer clicks to get where you want to go.

Save time.

Automate processes with comprehensive grouping and pre-trip approval configurations, so you can focus on what's important.

Accessible for everyone.

We've made accessibility a core component of our design for every traveler's ease of use.

Got a question? Ask Etta.

Your support chatbot is designed to handle traveler issues and questions that are high in volume and easy to resolve.

About Deem

Etta is powered by Deem.

Deem pioneered corporate travel management software more than 20 years ago. Now, we're taking business travel into the next decade.
